

# Yak Wool Warmest Socks for Winter, Outdoor, Cold Weather, Hiking, Camping, & Cold Feet

by Yakamel 

Yak wool is warmer than merino and makes excellent thermal clothing. Yak wool socks are warmest wool socks. They are very soft too.

- ☺ WARMEST SOCKS FROM ONE OF THE COLDEST COUNTRIES. Mongolia's capital is the coldest capital in the world. And Mongolians consider yak wool socks as the warmest.
- ☐ ☐ ✖ ☐ FOCUS MORE ON YOUR WORK OR RECREATION THAN ON DISTRACTING COLD FEET by wearing these warm MEN's & WOMEN's wool socks for camping, outdoor work, home, snowboarding, winter, cold weather and cold evenings. They look great on dresses too. Yak wool socks are cool when hot and warm when cold. To choose size, use the Yakamel SIZING IMAGE below.
- ☼ ☐ ✨ YAKS ABLE TO CLIMB TO MOUNTAIN HEIGHTS NO OTHER MAMMAL CAN, are highly nimble. Their wool is combed off once a year. No yak is hurt.
- YAKS TOLERATING EXTREME COLD CAN BE SEEN SWIMMING CALMLY THROUGH ALMOST FROZEN LAKES AND RIVERS at -40F without trouble due to their warm wool protection. The socks are made from the wool of Mongolian yaks living in -40F to +40C environment. THE SOLE IS MADE THICKER. Do not bleach. Preferably, hand wash in lukewarm water, wring, slightly stretch flat, & hang dry.
- WE BELIEVE IN MAKING PEOPLE WORK AND REST WARMER AND CALMER instead
- 90% yak wool / 6% spandex / 4% viscose
